LASTING
IMPRESSIONS

LASTING IMPRESSIONS . . .

The student body of Notre Dame Academy consists of many unique individuals. NDA offers many opportunities for each student to leave her lasting impressions on the school. Through the various programs in sports, fine arts, communications, student leadership, and volunteering, students are apt to find their special niche.

As we look through the pages of the 1993 ECHO, we can see many different faces looking out at us. Behind each photograph lies a story which has left an impression in the minds of those in the photograph. Through the yearbook, these stories will be forever in our possession leaving a "lasting impression."

Editors Rachelle DeCoste and Brenda Frazier would like to thank faculty adviser Mrs. McKelvey for her encouragement and the yearbook staff for their dedication. Thanks to Mr. Dick Swiech, our Herff Jones Representative and Mr. Ken Green from Green Photographers, Inc.

STUDENT LIFE

MEDIA CLUB

Communications are a big part of life at NDA. Both the Media Club and the Medallion staff help contribute to the awareness of activities at NDA. Media Club documents events on video for all to remember. The staff of the newspaper work hard to keep records of events from the school as well as the world around us. This year's Media Club and Medallion staff have used their various talents to leave a lasting impression on the members of the Notre Dame Academy community.

(Clockwise) Media Club members Christine Soh, Camille St. Cyr, Katie Hatherley, and Brenda Murray.

CLASS OFFICERS

Each year elections are held to elect a president, vice-president, secretary and treasurer for each individual class. This year's officers were dedicated and hard working. The senior class officers had the huge task of planning the prom. The juniors planned a wonderful class day. The sophomores and freshman worked together on the Freshman-Sophomore Semi-Formal. All the officers have left wonderful memories in the hearts of their classmates.

Clockwise from top: Freshman Officers: Claire Lutts, Kathleen Sullivan, ME Puzo, and (missing) Danielle Nohe; Junior Officers: Karen Watts, Tricia Hurley, Alicia Carey, and Jen Troy; Senior Officers: Sandy Mooney, Julie Barrett, Helen O'Dwyer, and Erika Rettman; Sophomore Officers: Mary Gallagher, Sarah Morrell, Heidi Graney, and (missing) Nicole Palermo.

STUDENT COUNCIL

As usual, NDA's student council had a busy year. They did a wonderful job planning and running the Cotillion and the annual D-Street Halloween party. Student council also helped with drives to help victims of this winter's blizzard. The Hawaiian Dance in March gave everyone a preview of spring after a very long winter.

Thanks student council for all you do for NDA!

PEER MINISTRY

Peer Ministry is an organization which serves the global, local and NDA communities. Each fall, Notre Dame's peer ministry organizes a dance to support the Notre Dame Worldwide Missions. Other activities include Christmas and Easter gift and food drives for the poor in neighboring communities. Peer ministers also plan and participate in school-wide liturgies as readers and eucharistic ministers. They also plan prayer services and local retreats.

PEER COUNSELORS

The peer counselors at NDA work hard throughout the year to help their fellow students. The guidance peer counselors were often found in the guidance office assisting students looking for college admissions information. Other peer counselors could be found in their freshmen homerooms helping the freshmen feel welcome and at home in their new surroundings. The peer counselors left lasting impressions on the many people they helped throughout the year.

ECHO

The staff of the 1993 Echo worked extremely diligently this year to make the yearbook a great publication. In the various yearbook classes and at meetings after school, many different people were able to contribute to the success of the yearbook. We have all tried to include pictures and words which will bring back many happy memories and leave *lasting impressions* on all of our classmates.

HONOR SOCIETIES

NATIONAL HONOR SOCIETY

It is a great privilege to be a member of the honor societies here at NDA. These societies were formed to recognize outstanding academic achievement. The honor societies perform valuable services to the school throughout the year. National Honor Society members offer tutoring services throughout the year and are always on hand to serve as tour guides at NDA functions. The Language Honor Societies also offer tutoring services and help run Foreign Language Week each spring.

SADD

SADD Officers Mary Clark, Kristen Finn and Jacquie O'Shea pose with advisor Mrs. Pratt.

Students Against Driving Drunk has had a special effect on the school. They gave out key chains and red ribbons as reminders about not drinking and driving and handed out newsletters. They even had speakers talk to us about personal losses because of drinking. SADD is a successful program well worth the hard work.

EARTH CLUB

The Earth Club was hard at work this year as they tried to promote earth awareness around the school. They had a special week dedicated to saving the earth, called "Watch and Care Week." The earth club also printed the 'Stall Street Journal' with interesting facts about endangered species, rain forests, and what we could do around NDA to help the earth. The members of the club worked all year to provide their fellow students with important information and to help them to help the earth.

(Top Right) The Earth Club officers: Jenn Walsh, Jen Troy, Nicole Young, and Erika Rettman.

The posters above were part of the 'Watch and Care' week display. The walls were covered with posters as the bottom floor of NDA was transformed into the sky, the sea and the rain forest.

SCIENCE FAIR

This year's science fair for the biology and chemistry classes went very well. Awards were given to the outstanding projects. Parents and friends attended the awards ceremony and were allowed to view the final presentation of the girls' hard work. The science teachers also worked hard at organizing this special day.

Above a few of the wide variety of science projects are shown.

MUSIC DEPARTMENT

A CAPELLA CHOIR

NDA's music department is responsible for the wonderful concerts we hear at Christmas and in the spring. The a capella choir puts in extra hours practicing and performing at school-wide masses and at special events throughout the holiday season.

Each NDA student is required to take a music class in order to graduate but most do so willingly. There is nothing more relaxing than sitting in the choral room and singing or playing an instrument for an hour or so a week.

KEY CLUB

The Key Club had a wonderful year. Over one hundred members of the Key Club committed themselves to many hours of service to their school. They help NDA by giving tours and speeches to prospective students, helping with mailings, and serving as guides for interested students. Key Club members also help at the D-Street Halloween party, Freshmen Orientation Day and at all of the entrance exams throughout the year. This year, the Key Club members, through their service and good works, showed the true spirit of NDA.

As we entered Notre Dame Academy, we felt overwhelmed by the challenges that were ahead. As the year progressed, we began to grow together as a class. The sophomores entered Notre Dame in the fall of 1992 confident in ourselves and our friends. We were no longer the youngest students in the school and we were ready to show our true selves. Sophomore year showed us a lot of great times: the Cotillion, drivers licenses, and sweet sixteen parties. We will always remember the continual growth of our class during the 1992-1993 school year. We have left our own lasting impressions on NDA this year and intend to do so for the next two years.

This year's Junior Class made a lasting impression on everyone. The enthusiasm of the Class of 1994 showed through in every aspect of their lives at NDA. Special memories of the year are of Ring Day, the new Junior Class Bulletin, the Cotillion, and the Prom. Juniors showed their class and school spirit in many ways such as decorating the hallways with holiday posters and banners. The Junior Class of 1992-1993 is one class never to be forgotten.

SENIORS LEAVE "LASTING IMPRESSIONS"

Throughout the past four years, the Class of 1993 has made many lasting impressions on the NDA community. As they leave NDA, they take with them lasting impressions of their own. Beginning with freshman orientation and continuing through sophomore classes, junior term papers, and senior rose reports, the Class of 1993 has grown together. Each member of the class will be remembered for her special talents and individual personality.

The senior Class of 1993 will also fondly remember the loving teachers they said goodbye to during their four years and also the new teachers they welcomed. The senior class must say goodbye to their senior privileges: red sweaters, the senior parking lot, and of course the senior locker room. Looking back on their four years at NDA, the seniors of 1993 can see the difference they have made at NDA, and also the difference NDA has made in them.

ARTS AND ENTERTAINMENT

CHRISTMAS CONCERT AND ART SHOW

December was a month of last-minute shopping, children's anxious excitement, and Notre Dame Academy's famous Christmas Concert and Art Show.

With performances by the band, Senior Glee Club, A Cappella Choir, and Freshmen Glee Club, the Christmas Concert was a huge success. The audience responded with a great amount of praise to all the music department's hard work and practice.

The Art Show, which was set up in the gym, was absolutely fabulous. Notre Dame's talented artists were able to display some of their works and it was a wonderful way for their guests to spend a wintery afternoon.

ALL-SCHOOL DRAMA FESTIVAL

The All-School Drama Festival is a drama competition between the classes at NDA which highlights the theatrical talents of each individual class at the Academy.

This year, the freshmen class production of *Games*, won best production of the festival. The seniors performed *Riders to the Sea*. The junior class performed *The Effect of Gamma Rays on Man in the Moon Marigolds*. The sophomore class performed *Sunday Costs Five Pesos*.

The festival was the culmination of weeks of rehearsal and preparation. It can be safely said that all the work was well worth it. The Thirteenth Annual Drama Festival was a huge success.

(Top) Christine Donadio, Erin McCauley, Mary Anne Sullivan and Christine Soh show their dramatic talents in the freshmen play. (Middle) Kristin Finn, Kate Carroll and Jen Walsh perform in the senior class play. (Right) Michelle Cadin lights up the stage in junior class play.

Jennifer Sullivan and Claire Lutts help the freshmen play win the festival title. Tricia Hurley performs in the junior class play.

FALL MUSICAL

Many talented students at NDA took part in the musical revue written and directed by Mr. Kelly. The musical "And the Winner Is . . ." was a compilation of songs that have won awards in various areas. Featured were Academy Award winners such as "Beauty and the Beast," Country Award Winners including "9 to 5," Contemporary Christian Dove Awards with "El Shaddai," Emmy Awards such as the hilarious Brady Bunch routine, and the Tonys with "A Chorus Line." This was definitely one musical that will not be easily forgotten, but will be long remembered.

An extremely hilarious version of "The Brady Bunch" theme song.

Colleen O'Leary dances in the fantastic "One."

Alanna McLaughlin plays her tamberine.

Stephanie Brambilla plays the part of Shirley in a takeoff on "Laverne and Shirley."

SPRING CONCERT AND ART SHOW

The annual concert was held at the beginning of May to help bring in the spirit of spring. The band, various choruses and the a cappella choir performed beautifully. During intermission, artwork created by Notre Dame students was enjoyed by family and friends.

Members of the freshmen chorus sing out some notes. (Right) Artwork by a member of the ceramics class is on display.

MARY POPPINS

Once again the students of NDA performed wonderfully in the Spring Musical *Mary Poppins*. There were many stars as the singers, dancers and actors sang, danced, and acted their hearts out. With Mr. Kelly in the director's seat, the cast thrilled and wowed the audience in true NDA fashion.

SPORTS

CHEERLEADING

The NDA cheerleaders worked hard throughout the fall and winter. After cheering on the B.C. High football team, they spent the winter inspiring the NDA basketball teams to victory. The cheerleaders were dedicated individuals who helped fill the NDA students with pride and enthusiasm for our school.

VOLLEYBALL

All season long you could see the girls crashing to the ground in pursuit of the white ball. You could hear the encouraging words from teammates. "Right, left, right, left." Then you saw a bump, a set, a SPIKE! The ball is slammed onto the other side as it crashes to the floor. This is the excitement that the 1992 NDA volleyball team and its fans experienced daily.

The volleyball team had a very successful season by setting goals and continually reaching to attain them. NDA's volleyball team showed how dedication and teamwork are the true signs of a winning season.

CROSS COUNTRY

This year's cross country team left a lasting impression not only on the NDA community, but on runners throughout the state. The strong cross country team fearlessly faced their competitors throughout the season. The confidence, talent, and determination of the team members led to a great season. They finished seventh in the All-State meet, became the cross country Eastern Mass State Champs and were named Catholic Conference League Champions.

SWIMMING

The 1992 Swim Team made a lasting impression on Notre Dame Academy. The team faced difficult opponents including Ursaline and Westwood. The team had many exciting meets in addition to conference relays and championships. In the end the swim team held a record of 5-7. As a result of many fine performances, a few team members qualified for sectionals and competed in the state championships.

SOCCER

This year was a very successful year for NDA's soccer team. The team went into the state tournament with a number one rank in Division I South and was also the Catholic Conference Champions. NDA's soccer team had seven all-stars and a league MVP. Two of the players were named to the Patriot Ledger All-Scholastic Team and one was named to the Boston Herald All-Scholastic Team.

Lots of hard work and dedication were put into the 1992 season by the players and coaches. Everyone is looking forward to winning a state title next year!

BASKETBALL

This year's basketball team has definitely left a lasting impression on NDA. With new coaches, the team faced new challenges and more difficult opponents. The team members worked and played hard. Advancing into the state championships, they did well. The 1993 NDA basketball team was successful this year and is looking forward to great successes in the future.

FIELD HOCKEY

This year was the NDA field hockey team's first year as a team sport ... and what a year they had! Although it was tough to begin real division play, the team worked hard and celebrated each hard-won point and game they won. 1992 was a very productive year for NDA field hockey and the team is eagerly awaiting the 1993 season when they will no longer be the new kids in the division.

GYMNASTICS

Despite many difficulties, the 1992-1993 gymnastics team had a great year. At mid-season, Coach Harris was injured and Coach Donahue enthusiastically took over. The whole team performed well throughout the season, with three members qualifying for sectionals. Seven team members were nominated for various awards. This year's gymnastics team certainly deserves praise for a job well done.

TRACK AND FIELD

Many new members joined the track team to make this season successful. A lot of effort was put into the track team by both the coaches and the members. The practices and meets included working out on the track and javelin, discus and shotput throwing. Although the new members were welcomed to the team and eager to leave their lasting impressions, the senior members will be greatly missed.

SOFTBALL

The softball team started with a rough season. The season seemed short following a long winter and all the interruptions due to weather difficulties. After getting into the "swing of things" the team began to improve. With new members joining the team and only two seniors returning, the season outcome was fairly successful.

TENNIS

All members of the 1993 tennis team had great performances on the court. The team adjusted well to new members and to a new coach. Senior members Kristen Moriarty and Jen Logue have left their impressions on their fellow members as they leave the team and NDA behind.

GOLF

After many inside practices, the golf team finally hit the greens for the real thing. They had a successful season and had many new members this year. Many seniors participated in the sport and encouraged the younger members through their excellent examples and sportsmanship. The golf team has definitely become a permanent fixture in the NDA sports lineup.

SPORTS RALLY

The sports rally, held each year to celebrate excellence in athletics, was led by the cheerleaders. The students, faculty and athletes of Notre Dame crowded into the gym and showed great spirit and enthusiasm for the NDA Aces athletic teams.

The cross-country, field hockey, soccer, swim and volleyball teams were introduced member by member. This was a terrific way to kick off another season of winning Ace's athletics.

SOCIAL EVENTS

RING DAY

After two years of anticipation, Ring Day finally arrived on November 18. For the junior class, it was a day filled with fun and excitement as juniors and their senior ring sisters filed into the chapel to receive their rings.

Father Dan made the liturgy special with his humorous and meaningful homily. After the liturgy the juniors, seniors and faculty members enjoyed a reception in the cafeteria. Each junior set about having her ring turned ninety-four times. Tradition has it that the class ring must be turned ninety-four times since the juniors will graduate in 1994.

Ring day was once again a great success. The only drawback was that the juniors were left with swollen fingers after all of the ring turning!

(Top right, clockwise) Christine Kajunski, Jen Thorell and Erin Wall admire their rings while enjoying cake and beverages. Senior Michelle Lovely hugs her junior sister Megan Kinnery on this special day. Susan Mahoney walks to the chapel for the Ring Day Liturgy. Tina Parlevocchio and friends relax and turn each others rings.

FRESHMEN MEDAL DAY

Freshmen Medal Day is a very special tradition at Notre Dame Academy, Hingham. Each member of the freshman class is presented the Our Lady of Hingham Medal. This medal was designed by Sr. Marie Cordet, an art teacher at NDA. The image on the front of the medal is the Blessed Mother, this same image in the form of statues can be seen in every room at Notre Dame Academy. The Our Lady of Hingham Medal has been given to each freshman class at Notre Dame, Hingham since 1965.

(Top right, clockwise) Suzanne Finn puts Kalen Dow's medal on for her while (below) Adrienne Fowkes handles it on her own! Junior Nerissa Williams and her freshman sister Kameelah Fuller seem to be enjoying the medal ceremony. Joanna Donnelly holds her medal and wonders should she put it on now?

SENIOR-FACULTY CHRISTMAS TEA

In early December, the senior class and the faculty gathered for a lovely afternoon Christmas tea sponsored by the senior class. While they sipped their tea and enjoyed an assortment of pastries, the seniors and the faculty got a chance to relax and talk casually with each other. The seniors got to know the faculty a little better and the faculty members were able to talk about future plans with them.

The tea ended with a warm farewell to Mrs. O'Neill and words of encouragement from the senior class officers. The tea was an event that will leave a lasting impression on the seniors and the faculty.

MISSION DANCE

The Mission Dance, held this year on October 2, was a big success. Each year, Notre Dame's Peer Ministry group runs this dance to raise money for the Notre Dame Missions in Africa and Latin America. This year NDA students and their friends raised about \$800 for the missions while dancing to great music and enjoying homemade refreshments. The Mission Dance is one of Notre Dame's most anticipated annual events and the 1992 dance certainly lived up to everyone's expectations.

(Top right, clockwise) Juniors Meg O'Toole, Catherine Hirl, Whitney Wise, Andrea Fleming, Courtney Beckerman and Stephanie Brambilla seem to be enjoying the first dance of the year. Freshmen Sara Pearson, Molly Hamill and Molly Doran take a break from dancing to talk and look around the dance floor. Seniors Kate Coughlin, Amanda Condon and Nicole Anderson watch the action at the Mission Dance. Sophomores Kirsten Hughes and Dienna D'Olimpio pose for the camera while dancing.

COTILLION

The general consensus is that the 1992 cotillion, held at Christo's II in Brockton was a huge success. The hall was elegant, the buffet was delicious and the ambiance was that of friendship and good times. Even the music was upbeat and danceable.

This year, the NDA community seems to be very close which contributed to the convivial atmosphere of the cotillion. Black velvet and sequins (although not together) seemed to be the outstanding fashion theme. Everyone was dressed to the nines however the formality of dress didn't prevent anyone from kicking up their heels and dancing all night.

All in all, the 1992 cotillion was a safe and festive night to remember.

FRESHMEN-SOPHOMORE SEMIFORMAL

The annual Freshman-Sophomore Semiformal was a great success once again. The cafeteria was magically transformed into an ocean with an under the sea theme. The freshmen and sophomores got all dressed up and attended this enjoyable semiformal dance with their dates.

A fun time was had by all who attended. The night left everyone excited for the next time they could leave their uniforms at home and dress up for a wonderful evening of music and dance with their school friends.

Couples danced, friends posed for photos and even chaperone Sister Mary Martina got into the mood and was caught in the midst of a dance.

Music surrounded the people at the dance as some only danced to the slow songs while others were seen doing the 'Electric Slide.'

PROM

After taking time to find the perfect dress and maybe even the perfect date, the night finally came. The prom was held at the Blue Hills Country Club and was a great success. The dance floor was always crowded and the dancers were always full of energy. The night will definitely leave a *lasting impression* on those who attended.

SENIOR RETREAT

Many seniors left NDA the day of the retreat with feelings of apprehension. But, as they arrived at Craigsville Retreat Center and settled in, all fears were put to rest. During the afternoon, evening, and the following day, the seniors grew to know each other better. With four years of togetherness behind them, the Class of 1993 thought there was nothing more they could learn about each other. They were wrong. When they returned to NDA the following day they had grown closer and had learned a great deal from each other.

CLASS DAY

The junior class did an excellent job of preparing Class Day for the seniors. They began with a few skits and songs and ended with a luncheon. The seniors laughed throughout the parody of musical auditions. The laughter continued with the arrival of Catholic Girl and Christian Kid to stop the "brawl" between the juniors and seniors over the senior parking lot. The juniors also presented each senior with a tassel and reflected on various qualities and characteristics they would miss about certain seniors.

BACCALAUREATE

The Class of 1993 donned their white gowns and entered the auditorium for the Baccalaureate Mass and medal ceremony. The mass was celebrated by Rev. Garret J. Barry. Readings were done by senior class officers Sandy Mooney, Julie Barrett, and Helen O'Dwyer. The members of the senior class were welcomed into the Alumnae Association by president Geraldine Gavin Viano and then received their blessed medallions from Alumnae sponsors. Lastly, the senior class president Erika Rettman accepted the invitation into the Alumnae Association on behalf of her classmates.

GRADUATION

May 22, 1993 is a day that will be forever engraved in the minds of the members of the class of 1993. They processed into the auditorium as "Pomp and Circumstance" was played in their honor. The ceremony was very beautiful and the graduates were excited to finally be receiving their diplomas, but at the same time sad to be leaving their friends. Salutatorian Emily Hart welcomed the assembly to graduation and wished her fellow classmates success and happiness. Valedictorian Rachelle DeCoste spoke and reflected on the thoughts of her classmates about leaving NDA. She recognized the fear they might feel but expressed the fact that it was time to leave. The class of 1993 processed out of the auditorium for the last time.

Though we may have approached it for the first time fearfully, Notre Dame's tiled walls and dim hallways soon became a second home to us. Notre Dame Academy has provided a safe haven for us protecting and shielding us from the evils beyond. We have grown together and on our own during our four years here. Memories from this building, all the events we have attended here and all the people we have met and learned from, will be carried with us into our life beyond the walls of the Academy. We have become strong young women during our time here and we will take with us our developed self-esteem and our courage to stand up for our Christian moral ethic. Notre Dame feels comfortable and safe to most of us, tempting us to want to stay forever; but we cannot stay here, never going beyond and never risking the secure and safe feelings we have.

I do not expect that we will all become legends, only that we live to our potential and live the way of life we have learned as members of the Class of 1993 of Notre Dame Academy. I pray and I hope that we all find one aspect of life in which we will be successful, and most importantly happy. We take with us in our hearts and minds our memories of our friends from Notre Dame. Notre Dame Academy will always provide a safe haven to encourage us in our struggles along the way, but now is the time for us to leave and we are not afraid.

Congratulations and Success to Susanne, Her Wonderful Friends, and the Class of 1993

When you reach for your dreams, no matter what they may be, you grow from the reaching, you learn from the trying, you win from the doing.

We are so proud of you,
Love Always,
Dad, Mom, Brian, Christine,
Sheila and Nana

CONGRATULATIONS RACHEL BARONE!!!

Rachel:

You danced into our hearts
the day of your birth.
You bring joy to our lives
and give every day worth.
You've been part of our struggles,
our ups and downs,
But you've blessed us with smiles
and never with frowns.
Your life has filled our hearts
with pride without end.
You are our daughter, our sunshine,
our gift and our friend.

Con tutto il nostro amore

Mom, Dad, Irene and Patricia

Reach high, for stars lie hidden in your soul.
Dream deep, for every dream precedes the goal.
